The Cricket Asylum Foundation has been setup with the support of local cricket enthusiasts to promote the sport and bring life skills to people from disadvantaged backgrounds. TCAF delivers inclusive coaching sessions to groups such as primary schools, special schools and minority groups. In addition TCAF offers scholarships to keen and talented young players who may not have the financial support to progress in the game.

WHO WE ARE

Based in Sowerby Bridge, West Yorkshire. TCA opened its doors in January 2012 and became the first cricket specific venue in the world to feature PitchVision's coaching technology built in to our lanes, since then Lord's and Cricket South Africa have followed our lead.

Our ground-breaking setup has been praised by both professional players and coaches alike. We bring the pro technology and coaching techniques to the masses to help everyone improve their game.

We're seeing more and more players develop their cricket and progress to the next level.

From private 1:1 coaching, net hire to cricket tours, club coaching and holiday Cricket courses to shop and cricket ball supply, we truly are the one stop shop for all your Cricketing needs!
